Please supply the general steps that would apply to all four licensing objectives	The Licensee, that is the person in whose name the premises licence is issued, shall ensure that all times when the premises are for any licensable activity, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the licence and for preventing crime and disorder. The Licensee shall ensure that all staff will undertake training in their responsibilities in relation to the sale of alcohol, particularly with regard to drunkenness and underage persons. Records will be kept of training and refresher training.
The steps you will be taking to promote the prevention of crime and disorder	Any incidents of a criminal nature that may occur on the premises will be reported to the Police. The Licensee will install comprehensive CCTV coverage at the premises and it is operated and maintained at the premises. The CCTV system shall conform to the following points: 1. Cameras must be sited to observe the entrance and exit doors both inside and outside. 2. Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification. 3. Cameras viewing till areas must capture frames not less than 50% of screen. 4. Cameras overlooking floor areas should be wide angled to give an overview of the premises. 5. Be capable of visually confirming the nature of the crime committed. 6. Provide a linked record of the date, time and place of any image. 7. Provide good quality images u2013 colour during opening times. 8. Operate under existing light levels within and outside the premises. 9. Have the recording device located in a secure area or locked cabinet. 10. Have a monitor to review images and recorded picture quality. 11. Be regularly maintained to ensure continuous quality of image capture retention. 12. Have signage displayed in the customer area to advise that CCTV is in operation. 13. Digital images must be kept for 31 days. 14. Police will have access to images at any reasonable time. 15. The equipment must have a suitable export method, e. G. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy, if this format is non-standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the

	video on the CD can be replayed by the police on a standard computer. Copies must be made available to Police on request.
The steps you will be taking to promote the prevention of public nuisance	All customers will be asked to leave quietly. Clear and legible notices will be prominently displayed to remind customers to leave quietly and have regard to our neighbours.
The steps you will be taking to promote the public safety	Appropriate fire safety procedures are in place including fire extinguishers (foam, H2O and CO2), fire blanket, internally illuminated fire exit signs, numerous smoke detectors and emergency lighting (see enclosed plan for details of locations). All appliances are inspected annually. All emergency exits shall be kept free from obstruction at all times.
The steps you will be taking to promote the protection Of children from harm	The licensee and staff will ask persons who appear to be under the age of 25 for photographic ID such as proof of age cards, the Connexions Card and Citizen Card, photographic driving licence or passport, an official identity card issued by HM Forces or by an EU country, bearing the photograph and date of birth of bearer. All staff will be trained for UNDERAGE SALES PREVENTION regularly.
