Good morning

I can confirm that we have no objection to the above named Premises Licence Application from a Police perspective. Please see below the email chain between myself and the applicant whereby they have accepted the conditions that I proposed. I would be grateful if these could please be added to the Premises Licence when granted.

Many thanks
Kirsty

Hi Kirsty,

I'm happy with all of these conditions being included they were already being implemented at my previous address.

Good morning, Adan

My name is Kirsty and I am one of the Alcohol Licensing Officers for Dorset Police. I have been passed your recent Premises Licence Application for 4 Stroud Close to look at. I note that you are providing sales for delivery only, however I would still like to propose that the following conditions are applied to the Licence when granted:

- Age verification will take place at the point of ordering and also at the point of delivery. A Challenge 25 policy will be in operation and customers on receipt of a delivery will need to prove that they are over the age of 18 by showing either a passport, driving licence or ID with the PASS hologram. When placing orders online or by phone, customers will need to confirm their date of birth to prove that they are over the age of 18.
- A refusals log will be maintained recording any instances of refused sales/deliveries. This will include the date, time, name of customer and address of the refused delivery. This log will be kept at the premises and made available to Police or responsible authorities on request.
- All alcohol will be stored in a lockable room or container.
- Staff to be trained in the Licensing Act 2003 in the sections pertinent to the sale of alcohol. Refresher training will take place every 12 months. All training will be dated and signed by the person receiving the training and the person giving the training. A record of this training to be kept on the premises and made available to Police or responsible authorities on request.
- Deliveries will only be made to business and residential addresses.
- Members of the public will not be allowed into the premises.

I trust these are all acceptable to you. I would be grateful if you could please reply to this email to confirm your acceptance of these conditions so that I can forward the email chain onto the Council to confirm we have no objection to your application from a Police perspective. If you have any questions or queries, please do not hesitate to get in touch. I look forward to hearing from you soon.

Many thanks
Kirsty
