Hello

We have received this response from Mr Trimmer (the applicant).

Once you have read it through, can you please let us know if you still want to proceed to a Committee Hearing or if you are happy to withdraw your representation.

As previously mentioned, any matters regarding traffic and parking cannot be considered in the decision process.

I currently have 13no 70cl bottles in stock, I only make 36 bottles per run, I only make more once I get down to 10 bottles, so the maximum that I would store at any one time is 46 bottles.

These bottles are stored in my garage basement which is concrete on all 4 sides with a metal locked door, danger of fire is minimal and it couldn't spread to any neighbours due to the concrete.

Last year we sold 99 bottles in total, since 2018 when we started trading from 14 Beaucroft Road BH21 2QW we have sold 250 bottles maximum in one year.

We have on average 2 deliveries per year.

This business is a hobby for me, it has never made a profit.

We look forward to hearing from you.

Thank you

Kind regards
