Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

Our professional approach to licencing and community is paramount in our day to day operation and understanding when the premises is open to the public.

We have maintained a good relationship with our residential neighbours and proactively work with the building management to ensure we have clear communication between residents and security staff. We receive feedback from the local residents and act accordingly.

We proactively support the licencing community and charities.

b) The prevention of crime and disorder

A Supervisors register will be maintained at the licensed premises, showing names ,addresses and up to date details of the DPS and all personal licence holders.

The Supervisors register will state the name of the person who is in overall charge of the premises and at each time licensed activities are carried out, and this information will be retained for a period of twelve months and produced for inspection on request to an authorised officer.

Security staff/ designated supervisors will be familiar with the premises policy concerning the admission, exclusion and safeguarding of customers while on the premises.

The PLH/DPS will ensure that an incident report register is maintained on the premises to record incidents such as anti social behavior admissions and refusals and ejections from the premises.

The incident report register will contain consecutively numbered pages, the date time and location of the incident, details of the nature of the incident, the names and registration numbers of any door staff involved or to whom the incident was reported, the names and numbers of any police officers attending the police incident or crime number, names addresses of any witnesses and confirmation of whether there is CCTV footage of the incident.

An incident report register will be produced for inspection immediately on the request of an authorised officer from the licensing authority or Police.

The PHL/DPS staff will ask for Proof of age from any person appearing to be under the age of 21 who attempts to purchase alcohol at the premises.

The PHL/DPS staff will ask for photographic identification in the form of either a passport, EU photographic driving licence or PASS accredited identification, from any person appearing to be under the age of 21 who attempts to purchase alcohol at the premises.

A log shall be kept of all refused sales of alcohol. The Log should include the date and time of the refused sale, a description of the person refused, why they were refused and the name of the member of staff who refused the sale. The log should be available for inspection at the premises by the police or an authorised officer.

The DPS/PLH/ Supervisors shall regularly attend Pubwatch meetings to ensure communications from authorities are maintained.

c) Public safety

Written Records of all accidents and safety incidents involving members of the public and/or staff will be kept. These will be made available at a request of an authorised officer.

A suitably trained and competent person must ensure monthly safety checks of the premises. Decorative and functional fixtures, floor surfaces and equipment to which the public may come into contact are undertaken. Records of these safety checks must be kept and made available for inspection by an authorised officer.

Electrical installations will be inspected on a periodic basis (at least every 3 years or at a frequency specified in writing) by a suitably qualified and competent person. Inspection records and certificates will be kept. These will be made available at the request of an authorised officer.

Appropriate Risk assessments will be provided for any activity.

d) The prevention of public nuisance

No Deliveries will be arranged between the hours of 23:00 through to 07:00am

Bottles will not be placed in any external receptacle after 23:00 hours and before 07:00 hours to minimise noise disturbance to neighbouring properties.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).

4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.
