Please supply the general steps that would apply to all four licensing objectives	We will operate the premises in a responsible and well-managed manner, with policies and procedures in place to promote all four licensing objectives. Staff will be properly trained in responsible alcohol sales, age verification, incident reporting, refusal of service, and dealing with vulnerable or disorderly customers. A Challenge 25 policy will be used, with acceptable ID required where age is in doubt. The premises will maintain an incident/refusals log, ensure CCTV is used and retained where required, manage customer behaviour inside and outside the premises, and work positively with the police, licensing authority, local residents and other responsible authorities. Regular checks will be carried out to ensure the premises remains safe, clean, secure and compliant with all licence conditions.
The steps you will be taking to promote the prevention of crime and disorder	We will take reasonable steps to prevent crime and disorder at the premises by operating responsibly and maintaining good supervision of customers and staff. Staff will be trained to recognise signs of intoxication, refuse service where appropriate, prevent underage sales, and record any incidents or refusals in a log. CCTV will be used where required and footage retained in line with the licence conditions, with images made available to responsible authorities upon lawful request. The premises will not tolerate violence, drug use, disorderly behaviour or abusive conduct, and any issues will be dealt with promptly, including contacting the police where necessary. We will work closely with the licensing authority and local community to ensure the premises remains safe, well-managed and compliant.
The steps you will be taking to promote the prevention of public nuisance	We will take active steps to prevent public nuisance and minimise any disturbance to local residents and businesses, particularly in relation to noise. Staff will monitor noise levels inside and outside the premises, including music, customer behaviour and dispersal at closing time. Doors and windows will be kept closed where appropriate when music is playing, and customers will be reminded to leave quietly and respect neighbouring properties. Clear notices will be displayed asking customers to keep noise to a minimum when

	entering, leaving or smoking outside. Staff will regularly check the outside area and manage any groups gathering near the premises to prevent excessive noise, littering or anti-social behaviour. We will also keep an incident/noise log, respond promptly to any complaints, and work constructively with local residents, the licensing authority and environmental health to address concerns and ensure the premises operates responsibly.
The steps you will be taking to promote public safety	We will take all reasonable steps to promote public safety and ensure the premises is operated in a safe and responsible manner at all times. Staff will be trained to monitor customer welfare, manage capacity, identify risks, deal with vulnerable or intoxicated customers, and respond appropriately to incidents or emergencies. One of the directors is a licensed SIA Close Protection Officer with 14 years' experience working in late-night economy venues, providing strong operational knowledge around risk management, conflict de-escalation, crowd safety and customer welfare. The premises will maintain clear access and exit routes, carry out regular safety checks, ensure appropriate fire safety measures are in place, and keep incident records where necessary. Staff will also be expected to act promptly where any safety concern arises, including contacting emergency services when required.
The steps you will be taking to promote the protection Of children from harm	We will take clear steps to protect children from harm by operating a strict Challenge 25 policy and requiring acceptable photographic ID where a customer appears under 25. Staff will be trained in age verification, recognising fake or borrowed ID, refusing underage sales, and recording refusals in a refusals log. Alcohol will not be sold to anyone under 18, or to adults suspected of purchasing alcohol on behalf of a child. The premises will be supervised responsibly at all times, and any children on the premises will only be permitted where appropriate and must not be exposed to unsuitable behaviour, disorder, strong language, intoxication or any other risk. Staff will remain alert to safeguarding concerns and will take appropriate action where necessary, including contacting the police or relevant authorities if a child appears to be at risk.
