OFFICIAL

Good Afternoon Ben,

Further to my email below, I have been made aware by one of our officers that patrons leaving your premises have been involved in incidents of anti-social behaviour in the vicinity of the premises.

In light of this information, I would like to propose the addition of further mitigating conditions to the premises licence to help minimise and manage these issues.

Please could you confirm whether you are in agreement with the following conditions:

The PLH/DPS will operate to a written dispersal policy which ensures the safe and gradual dispersal of customers from the premises. The PLH/DPS will ensure that staff receive training on the policy, and a record of training shall be kept/made available to an authorised officer upon request.

Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and leave the area quietly.

The premises supervisor/door supervisors will monitor the activity of persons leaving the premises and remind them of their public responsibilities where necessary.

I have cc'd Dorset Council licensing for their awareness.

Kind Regards
Vanessa

Good Afternoon Ben,

Thank you for taking the time to speak with me earlier and for clarifying the off-sales element of the application.

I would be grateful if you would consider the inclusion of the following conditions on your premises licence to help mitigate the risks associated with the sale of alcohol and to promote the licensing objectives.

A CCTV system, shall be installed to cover all entry and exit points enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record and cover areas where alcohol is kept for selection and purchase by the public, whilst the premises is open for licensable activities. It shall operate during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with correct date and time stamping. Recordings shall be made available immediately upon the request of Police or an authorised officer of the council throughout the preceding 31 day period. The CCTV system shall be updated and maintained according to police recommendations.

A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member must be able to show a Police or authorised council officer recent data or footage with the absolute minimum of delay when requested.

All staff involved in the sale of alcohol shall receive training on the law relating to prohibited sales, the age verification policy adopted by the premises and the conditions attaching to the premises licence. Refresher training shall be provided at least once every 6 months. A record shall be maintained of all staff training and that record shall be signed by the person receiving the training and the trainer. The records shall be kept for a minimum of 12 months and made available for inspection by police, licensing or other authorised officers.

An incident log shall be kept at the premises. The log should include the date and time of the incident and the name of the member of staff involved. The log to be made available on request to an authorised officer of the Council or the Police, which will record the following:

- (a) all crimes reported to the venue*
- (b) all ejections of patrons*
- (c) any complaints received*
- (d) any incidents of disorder*
- (e) any faults in the CCTV system or searching equipment or scanning equipment*
- (f) any refusal of the sale of alcohol*
- (g) any visit by a relevant authority or emergency service.*

Risk assessment to be carried out in relation to the requirement of SIA trained staff for special events and anticipated busy periods

Challenge 25, shall be operated at the premises where the only acceptable forms of identification are (recognised photographic identification cards, such as a driving licence or passport / Holographically marked PASS scheme identification cards). Appropriate signage advising customers of the policy shall prominently displayed in the premises.

Please confirm whether the above conditions are agreed. Should you wish to discuss this further, or if you require any clarification, please do not hesitate to contact me

Many Thanks

Kind Regards

Vanessa
